

ER 300

The ER 300 Extra Range Adapter permits greater scale enlargement (up to nine times) of small artwork (2" x 2"), 70mm and 35mm slides onto the table surface. (Projecting slides requires the TI 300 Illuminator.) The ER 300 includes a 3", 1/2.5 inch, slide and opaque copy holder, a 2" x 2" copyboard and a foam light baffle.

Warranty

Artograph, Inc. warrants that all projectors and accessories will be free of defects in material and workmanship for a period of one year from date of customer purchase. Artograph will replace or repair, at its option, any equipment or accessory found to be defective under this warranty.
